A tank radio set plant (receiving and transmitting sets) is located at the Ul. Zymierskiego.

The plant is operated exclusively for the Soviets and most of the work force are Soviets. There are only a few Poles, who are required to be good Communists.

Comment:

A German radio tube plant as well as a German radio set factory was seized by the Poles in Reichenbach (P 51/II 27) (renamed Dzierzanow by the Poles). The Polish Government took over operation of the radio tube plant (now designated "State Radio Tube Plant") and of the radio set factory. According to 1948 press reports a credit of 23 million Zloty was provided for the expansion of the latter factory.
